Governor John K. Tener has given his endorsement to Mt. Braddock as the site for the encampment of the Second Brigade of the National Guard of Pennsylvania. That is the word brought back from Harrisburg today by R. S. Coyle, who made a special trip from New York to take the matter up with the Governor. Adjutant General Thomas J. Stewart is also in favor of Mt. Braddock and whether that site will be selected depends entirely upon the report of General William J. Hullings, commanding the Second Brigade. General Hullings will come here next week to look over the ground.

Major L. P. McCormick has already inspected the site in regard to sanitary conditions and reports that they are almost ideal. Col. J. M. Reid declares the location is the best, as far as transportation facilities are concerned, of any site which has yet held an encampment.

A conference was held in the Chamber of Commerce this morning between Secretary Kurtz, Col. J. M. Reid, Major L. P. McCormick, Captain A. J. Kidd, Superintendent of Transportation, and Mr. A. Coffey and R. S. Coyle, manager of Shady Grove Park.

Secretary J. Fred Kurtz has the assurance that the County Commissioners will grant permission for the use of the Mt. Braddock site if they can legally do so. They have not as yet received the deeds for the property. The matter will be taken up with the solicitor for the Commissioners. Secretary Kurtz will take the matter up with the United States Chamber of Commerce and the two organizations will co-operate.

The situation is an ideal one. The land is situated admirably for a military encampment, there is an abundance of pure water and good drainage. Both the Baltimore & Ohio and Pennsylvania railroads are doubled tracked past that point and there are ample sidings. The proximity of the trolley lines would make it possible to light the camp by electricity.

There is good business ahead for the hotel men if the encampment is held, because visitors would, of necessity, stay overnight at either Connelville, Uniontown or Dunbar. Adjutant General Stewart told R. S. Coyle in Harrisburg yesterday that in case the encampment goes to Mt. Braddock, there would be detailed there besides the troops of the Second Brigade, a Regular Army detachment of four companies of Infantry, two batteries of artillery and three troops of cavalry.

**First Injury on
10th Anniversary**

Superintendent of Line Construction W. M. Rogers received the first injury he has sustained in the West Penn service on the tenth anniversary of his first employment with the company. The accident happened yesterday, and it was then Mr. Rogers rounded out his first decade of service.

While working on the Inneson's wagon at California, Mr. Rogers had the index finger of his right hand torn off. The injured member was stitched and bandaged and Mr. Rogers hopes he will not lose the end of the finger. The accident was to the first joint of the finger.

**Socialist Speaks
on Street Corner**

W. A. Jacobs, who was a candidate for Governor of Wisconsin on the Socialist ticket, delivered a lengthy address on Bridge Street last night which attracted quite an audience. The Socialists are conducting an active campaign in Connelville this year and Jacobs is one of the several speakers they will bring here. This list includes Eugene V. Debs. The water question is a favorite with the Socialists, who are advocating municipal ownership.

Round Them Up—Yards Kept Busy.**

A job at the Connelville stockyards, where western cattle are exercised five hours when in transit, is no easy matter. Especially is this true when the animals go on a rampage and break out of the pens. An incident of this kind happened last week when a carload of bulls broke down the fence of their pens and scattered over the yards. The force at the stockyards had a strenuous night of it before the stock was finally corralled. Some of the bulls were found in the neighborhood of the roundhouse while others had wandered in the vicinity of the tin plate mill.

United Press Telegram.
NEW YORK, Mar. 11.—Positive denial that Japan and Mexico have a secret understanding on the part of any government was made by the Mexican Minister of Finance, Jose Luis Gaitanero, here today.

Minister, however, did not absolutely deny that some sort of understanding existed.

Guns, But No Shells.
NEW YORK, Mar. 11.—An incident throwing light on the unpreparedness of the United States army was revealed today in connection with the departure of three batteries of field artillery from Fort Meyer, Va.

When the field guns were loaded it was discovered that there was no ammunition for them, the nearest supply being in the Philippines. It was necessary to unship the guns and substitute barrels of lighter calibre.

Carter Takes Command.
SAN ANTONIO, Tex., Mar. 11.—A salute of 13 guns was fired in honor of Major General Carter on the arrival of the Major General Carter commanding the First Division.

The slow movement of the railroads is causing considerable adverse criticism. The full division will be organized by Tuesday morning.

Malice of Contradiction.
WASHINGTON, Mar. 11.—There was a malice of diplomatic contradiction on the Mexican situation today.

President Taft says that the mobilization of troops along the border is the forerunner of intervention unless foreign interests are protected. The Mexican Ambassador, De La Barra, says that under no circumstances will the Mexican government consider any intervention.

Mexican Congress Called.
MEZIC CITY, March 11.—It is currently reported here today that the Mexican Congress will convene in extra session tomorrow for the purpose of proclaiming martial law in the states of Chihuahua and Coahuila.

In event this takes place, Mexican troops will be rushed to the Mexican border and will camp opposite the United States troops along the Rio Grande.

Knox Not Consulted.
WASHINGTON, March 11.—It was clearly indicated today that the War Department has assumed the function of the State Department in regard to the Mexican situation. Both Secretary of State Knox and Assistant Secretary Wilson are both away from Washington and have not been taken into the war councils at the White House.

Rumors at the President.
Taft gave orders for the mobilization of troops without advising the State Department, visibly embarrassing the latter. It is said that State Department agents failed to reveal the true situation in Mexico and secret agents

**LIBRARY TRUSTEES
ASK SMALL MILLAGE****From Town Council and
Board for the Ensu-
ing Year.****THEY SUGGEST 1 3/4 MILLS**

Action of the House Committee in Refusing Use of Carnegie Library Hall For Political Purposes Is Endorsed by the Trustees.

The Library Trustees met last night to consider a 1 3/4 mill tax levy for maintenance during the coming year. The sum to be equally divided between the Town Council and the School Board, filled the vacancy caused by the death of Clara Stillwagon, and ratified action of the house committee in refusing to allow political parties to occupy the auditorium.

The meeting came to order promptly. Vice President H. Marshall presiding in the absence of the President. The following bills, paid between meetings on approval of the proper committees, were approved and their payment ratified:

Franklin Square Subscription
The Courier Company \$105.00
Telephone Company 16.75
The Electric Company 21.25
A. C. McGee & Co. 31.49
Connellsville Machine & Car Co. 11.50
Library Bureau 4.00
Connellsville News Publishing Co. 10.20
H. W. Wilson Company 13.00
West Penn Electric Co. 27.20
West Penn Electric Co. 27.20

and needs of the library followed. It developed that the revenues of the library have been sufficient to pay its running expenses, but that the margin left for books was too small to be efficient. The cost of repairing books is an item in the maintenance. Books wear out. They do not last forever. They must be constantly renewed and they should in some particular lines be constantly added to. Reference books should always be on hand and they should cover all subjects. Captain E. Dunn finally offered the following resolution, which passed without dissent:

Resolved, That the Town Council and the School Board be requested to levy a tax of three-fourths mill each for the maintenance of the library during the ensuing year.

The resolution was directed to transmit to the Town Council and the School Board, and the following bills were approved and ordered paid out of the first available funds in the Treasury:

C. McGee Company \$ 55.84
Smith Book Company 22.50
Book Shop Maderly 22.50
West Penn Electric Co. 27.20

The Chair stated that it would be in order to elect a member of the board to fill the vacancy caused by the death of Clara Stillwagon. The Trustees elected to fill the vacancy, J. M. Grey was elected to fill the vacancy.

The Secretary reported that a committee of the Connelville Socialists had made application to him for the use of the library auditorium for a lecture. There being no meeting of the board until last evening the matter was referred to the committee on Building and Grounds, which directed the Secretary to make reply as follows:

Replying to your recent communication requesting the free use of the Carnegie Free Library auditorium for a lecture on Social Economics to be delivered under the auspices of the local branch of the Socialist Party of Pennsylvania, I beg to advise that there is no minutes of the board of trustees of the Carnegie Free Library of Connelville a resolution declaring that the auditorium shall not be given over to any political party for political meetings of any sort.

The committee on Building and Grounds instruct me to say that your proposed lecture is only a party of well defined political movement by a regular organized political party, and is therefore barred by the resolution. The committee is of the opinion that they would be obliged to give over the auditorium to the uses of every political party if they gave it to your party. There can be no discrimination. They decline to let you have it, because they are prepared to turn it into a common campaign hall.

They direct me to advise you further that it is never given over to anybody entirely free of charge. From this decision you are at liberty to appeal at any regular meeting of the Board of Trustees.

On motion of Mr. McCormick, seconded by Mr. Ross, the action of the Committee on Building and Grounds was approved.

To Erect High School.
The Town Union township School Board has decided to erect a High School building to cost \$25,000. Architect A. P. Cooper will have charge of the construction. The site has not yet been decided upon.

Cloudy Weather.
Increasing cloudiness tonight and Sunday; warmer tonight. Sunday afternoon.

**Major L. P. McCormick Gets Medals;
Sergt. Geo. Calhoun Also is Honored.**

Major L. P. McCormick of the Tenth regiment has received two additional medals for service, being those authorized by Congress for those who saw service in the Civil War, Spanish War, Philippine War, and the Spanish War. McCormick and Sergeant George Calhoun are the only Connelville men awarded the medals. The medals are bronze, one for service in the Spanish war in 1898

and the other in the Philippine insurrection in 1899. The ribbons of the Spanish war medal are red and yellow, for the Philippine insurrection red and blue.

In the Tenth Regiment 32 Spanish War medals were issued and 35 for the Philippine insurrection. One man, the Philippine insurrection, one man, Robert W. Anderson, received three medals, having seen service also in the Civil War.

A State Quarantine Being Considered
The Word Received by Chief Hetzel.

Chief of Police George Hetzel this morning received word from State Veterinarian C. J. Marshall to effect quarantine of a dog quarantined at this place and asking that Burgess Evans and other authorities be consulted in regard to the matter.

Dr. Marshall states that the local officers will be expected to enforce the quarantine regulations although all other expenses will be borne by the State. If the local authorities feel they cannot cope with the situation, in event of the quarantine being established, other means will be considered. This indicates the possibility of the State Constabulary being detailed here to enforce the quarantine if it is decided upon.

**More Time for
Road Supervisors**

The information against C. D. Fowler, James May and G. G. Trump, Road Supervisors of Connelville township, charging them with causing and maintaining a public nuisance on a public highway have not been returned to court. Judge S. S. Korn said this morning that the defendants are asking for more time to complete the scrapping of Pittsburgh street and promise to do as they agreed.

The men were arrested January 27, on complaint of numerous citizens regarding the condition of the road. South Connelville, from Gibson avenue to Vine street. The road there was claimed to be due to the negligent methods in making the road and the supervisors expense providing the matter was dropped.

They were to have the work completed by March 1. For the next three or four days after their arrest, the men were busy engaged, but their interest seems to have died out after that date.

However, Squire Kern says the men are anxious to have the actions withdrawn and for the present the cases will stand.

**FRANK HARVEY
DIES AT LATROBE.****Former Well Known Con-

Away****IN PITTSBURG HOSPITAL****Abcess on Liver Broke and Death
Came Quickly on Thursday Morning.
For Five Years He Had Been Prom-
inent Hotel Man at Latrobe.**

Frank J. Harvey, proprietor of the Commercial House, and one of Latrobe's best known hotel men, died suddenly at the Latrobe hospital, Thursday morning from an abscess which had formed upon his liver. While he had been feeling depressed and unwell for a month past, it was not suspected that his condition was at all serious, and last Monday afternoon, when upon the advice of his physician he left for the hospital to undergo an examination in an endeavor to learn what was wrong with him, he fully expected that a short stay at Cambridge Springs or Atlantic City would be all that the hospital staff would advise.

Upon his arrival at the hospital, however, his disorder was diagnosed as liver trouble, and he was advised to remain in the institution for a few days. On Tuesday, he conversed with Mrs. Harvey over the phone, telling her that he felt somewhat better. On Wednesday, he failed to call her, and Mrs. Harvey, fearing something might be wrong, called the hospital and inquired for him. She was told that he had retired, not having felt so well, and that it was deemed unwise to disturb him.

Worried over this news, Mrs. Harvey left for Pittsburgh Thursday morning. When she reached the hospital, however, she found her husband dead, an abscess of the liver having burst during the night and having caused a hemorrhage which resulted in his death within a short time. The end being marked at 9:45 o'clock.

The remains were brought home Thursday evening and were taken to the hotel where they will lie until Monday morning at nine o'clock, when services will be held in the Holy Family church, the interment following in St. Vincent's cemetery.

Frank J. Harvey was born in Maryland, and was 46 years of age. In his early life he took up the trade of a machinist, and followed it successfully for a number of years, having been located at Connelville, Mammoth, Hostetter and other mining towns. At Hostetter he was master mechanic for the coke and iron works engaged in the grocery business in Latrobe for a time. Eight years ago he became superintendent of the Pittsburgh Brewing Company's Latrobe plant, acting in the capacity for three years. He purchased the Commercial Hotel, at Latrobe, five years ago. He was recognized generally as being an able business man and as being a strict conformant with the rules of the court in the conduct of his hotel.

He was a faithful member of the Holy Family church, and a zealous worker in its behalf.

He was a member of Latrobe Lodge No. 307, B. P. O. Elks, Division No. 5 of the Ancient Order of Hibernians, and the Improved Order of Heptasophy.

The late Mr. Harvey leaves to survive him his widow and three children, Mary, Pauline and John. His mother, Mrs. Anna Harvey of Washington, D. C., four sisters, Mary, Anna and Della Calnan, all of Washington, Pa., and three brothers, Thomas and William of Latrobe, and John of Frostburg, Md., also survive him.

Mr. Harvey was widely known in and around Connelville and for a number of years was employed by the J. C. Frick Coke Company at Davidson. Eight years ago with his family he left Connelville for Latrobe to make his future home. Mr. Harvey married Miss Ella Rush, daughter of William Rush, deceased, and Mrs. Mary Rush of Mt. Pleasant, former well known residents of Connelville.

RECENT WEATHER HARD ON AUTOS.

Bad Roads Have Kept Machines in Their Winter Quarters.

WILL SOON BE OUT THOUGH

The Physicians Who Own Cars Are the Only Automobile Owners Who Have Had the Service of Their Machines During Entire Winter.

The weather of late has been a disappointment to automobile owners. The cars are not being brought out of the winter quarters and until the roads are in fairly decent shape there will not be much travel through the medium of the gasoline cars save by those who have been using their machines during the winter.

The weather has also had its effect on prospective purchasers. To date only one car has been delivered to the new model interstate purchased by Hurl Hooper of the West Side. This car was set up yesterday at the Connellsville garage. It is the latest four-door type, blue body and nickel-plated trimmings.

William Work and V. J. Clark, proprietors of the Connellsville Garage, are busily engaged getting cars in shape for the summer's use. They have just completed a thorough overhauling of Charles L. Work's Cadillac and yesterday took down John Work's car of the same make. Charles Work's car has seen service through three hard winters, doing a mileage of more than 22,000 miles in that time. John Work's car also has seen hard service. William Dull's Packard is still in winter quarters at the garage, as is George A. Munson's Jackson. Dr. J. L. Cochran of Star Junction has his Rambler in the garage for the present. W. W. Smith does not expect to run his Buick until the roads are in better condition. His pump froze and resulted in breaking the hose attached to the crankshaft. This has been repaired. Meyer Aaron's interstate has not been brought out yet this season. The garage managers are agents for three lines of cars this year and expect to dispose of quite a number of new machines. They have the Hupmobile, the Guiting and the Interstate. Any number of owners have been using their cars all winter and despite hard service they all seem to be standing up well. Dr. Hugh Baker, Dr. H. C. Hoffman and Dr. F. French Kerr have found their Jacksons serviceable while Dr. T. B. Richard has been running his interstate constantly.

GOOT HIS HAIR BACK.
Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Mannell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 8, '09, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroys the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send for sample for sample to The Herpicide Co., Detroit, Mich. One dollar bottles guaranteed; Graham & Co., Special Agents.

THOMAS L. HOWARD ANNOUNCES HIS CANDIDACY FOR SHERIFF.

WELL KNOWN, AND POPULAR UNIONTOWN AND MASONTOWN CITIZEN DEFERS TO THE PLEAS OF HIS FRIENDS AND DECLARES HIMSELF IN THE RACE TO A FINISH.

MAKES AN IDEAL CANDIDATE

Well and Favorably Known to Practically Every Farmer and Business Man in the County—Good Citizen and Able Business Man—Great Believer in the American Public School System and Clean Athletics. Splendid Record as President and Treasurer of Uniontown Vets. Since He Cast First Vote—His Claims to Consideration at the Hands of His Party and the Voters Generally.

Thomas L. Howard, better known to his thousands of friends through out Fayette county as "Tom," is a candidate for sheriff on the Republican ticket, subject, of course, to the decision of the Republican primaries next June.

It is not believed that Tom needs any introduction to the Republican voters. He was born and raised in this county and so was his father before him, and he has been voting the Republican ticket ever since he has been old enough to vote. In his private workaday and business life his record is clean and his character above reproach, a fact to which the citizens of Uniontown, where he was born and raised, and the citizens of Uniontown, where he has lived for the past fifteen years, will readily testify.

Tom has always been a hustler, for the good and sufficient reason that he has always had to. Known to have no pretensions to the sheriff's office, and that he would make a splendid candidate, his friends have asked him so frequently if he intended to run this time that he thought it best to come out and declare himself. He is not a fellow to beat about the bush. He says he is in the field to a finish, with every hope of winning. If the assurances he has already received are anything to judge by.

There are few men better known to the rank and file of the voters of Fayette county than Tom Howard. Since the day he donned the apron before the forge in his father's blacksmith shop in Uniontown he has been making and repairing wagons for the farmers in the county and the merchants in the towns. Just watch the wagons that pass on the Pike or on any country road and see how many of them are marked "Howard"—good honest, rough-and-ready wagons, characteristic of the name. And when he hasn't been at work on wagons he has been engaged on carriages and buggies. For Tom excels as a carriage blacksmith. He is now and for years has been a member of the well-known firm of J. M. Howard & Sons, of Uniontown, and Uniontown. For fifty years this firm has been engaged in the manufacture and repair of all kinds of vehicles, and it is the largest and best known firm in that line in the county.

Mr. Howard was born in Uniontown April 2, 1875. He is the son of J. M. and Savannah Miller Howard. Tom has five brothers and one sister living, all of whom have grown to prominence and are a credit to their parents and the community in which they were born and raised. Twenty years ago Tom married Miss Eva Rhoads, also of Uniontown, where he and she were school mates together, and they have one son, Edwin, who is in his senior year in the Uniontown High School. All their lives Mr. and Mrs. Howard have been members of the Methodist Episcopal church.

It is Mr. Howard has any particular hobby it is the American public school system. He is now serving his seventh year on the Uniontown school board, and he is known as one of the ablest, most liberal and best informed directors in the county. He is now serving his second term as president of the Uniontown board, having also served a term as treasurer. It is principally through his efforts that Uniontown is building the magnificent new high school now going up at the corner of Fayette street and Wilson avenue. He has labored unceasingly to relieve the congestion in the schools of that city, to make the high school sufficiently good to give our boys and girls college education and to see that the health of our public school pupils is conserved and their advancement made certain. He is a pillar of strength to the public school system in Uniontown.

Up to date that has been the extent of Mr. Howard's public career, but if it was taken as an index he would make a good sheriff. He applies the principles of honesty, business and common sense to every undertaking, and his conduct of the sheriff's office would be marked by the application of those principles. Although he has never taken a drink in his life he is a broad gauge, liberal minded citizen. He is a keen lover of all forms of sport, like baseball and basketball, and a thorough believer in the development of manhood in the public schools through clean athletics.

For many years past the office of sheriff in this county has been worth much more than it will be in the fu-

ture. It is now a fat fee office. Under the census figures just announced it will be on a salary basis hereafter. Because of this it may not appeal to some candidates now as formerly. There was a time when, for a public office would not mean as much to Tom as it does now. That was before the day of the automobile, for the motor has displaced many a Howard earriage, buggy and wagon. But, be that as it may, Tom believes his services to the Republican party

and his life-long residence in the community entitle him to some claim on the consideration of the voters of his party, and of all parties for that matter. He is a good citizen, a good neighbor, a good business man, a good school director, and a mighty good blacksmith. And if he can make votes as well as he can make friends and wagons, it goes without saying that he will make a pretty good sheriff, too.—A.V.

Junior Order at Vanderbilt

Special to The Courier.
DICKERSON RUN, March 11.—Vanderbilt Council No. 191, J. O. U. A. M. will hold a chicken supper and box social in their hall at Vandebilt this evening. Supper will be served from 5 P. M. to 10 P. M. This will not be a 10 cent lunch but an old time chicken supper, the kind you used to go to in years gone by. It will be first class in every way and will be served in the best possible style. Every courtesy will be shown you and your wants will be promptly attended to. Waiters who understand the business and who will please you and are doing everything possible to please all who attend. In addition to the supper ice cream and cake will be served. There will also be a raffle, after which the box social part will come in. All ladies are requested to bring boxes which will be knocked down to the highest bidder by our old friend and neighbor, Colonel J. J. Harlan. A cordial invitation is extended to the public not only here but elsewhere to attend this supper, and if you do we know you will be surprised as well as pleased. Everybody come and have a good time with the Junior Order. The committee is composed of 15 of the best members of the order with the Hon. W. M. Means, Jr., as chairman, and "Speaky" is working as hard on this supper as he did last summer on the Hittinsville baseball team. Let no one say you can't come and all have a good time.

"A NERVOUS WRECK."

"My daughter is rapidly becoming a nervous wreck," said an anxious father to a friend who happened to be a druggist. "She has no appetite, is run down, weak, takes no interest in anything, and we cannot find anything that helps her."

"Why don't you give her Vinol?" said the druggist. "It is not a secret nostrum, just a simple and delicious cod liver and iron tonic—and the best strength creator and general all round tonic we have ever sold in our store. Take a bottle home and try it. We'll return your money if it does not help her."

Within ten days the father came back for another bottle of Vinol, saying that he had never seen such a change in a girl in his life, and he felt sure one more bottle of Vinol would restore her to her normal condition.

Such cases as the above are constantly coming to our attention, and we ask every run down, nervous, debilitated, aged or weak person in this vicinity, and every person suffering from a chronic cough, cold, or bronchial trouble, to try a bottle of Vinol on the same terms as above. Will Return Your Money If You Aren't Satisfied With Beggs' Mustardine.

Mustardine is a new discovery. It has been used successfully by physicians for several years, but has never before been sold at a drug store. It comes in a neat box all ready for use. It is clinically to use. It does not blister, and it can be used for anything that anyone would use a mustard plaster for, and with quicker and surer results.

For pain in the chest or back, pleurisy, deep seated cough, cold on chest, sore throat, toothache, headache, earache, cramps in calf of leg, Beggs' Mustardine gives instant relief. Just rub it on, that's all. It's always ready.

And for rheumatism, swollen or stiff joints, or for any pain in the muscles, it is equally effective. For a box that will cure more aches and pains than forty plasters. Mail orders filled, charges prepaid, by J. A. Beggs Co., Rochester, N. Y.

CRUELTY CHARGED

Against Two Westmoreland Women by Mrs. Mary Engle of Uniontown.

Alleging that she was harassed in a cruel and heartless manner from seeing her sick daughter in a pleasant street home, Greensburg, Mrs. Mary Engle of Uniontown, had Mrs. Jonas Meachling and Mrs. Eva Brinkley, two Paradise women, arrested Thursday on a charge of cruelty.

Mrs. Meachling is said to be the mother-in-law of the sick woman and Mrs. Brinkley a daughter of Mrs. Meachling. Mrs. Engle's daughter is married to John Meachling, and the couple reside at the Meachling home.

Mrs. Engle had the two women brought before Justice of the Peace J. Q. Truvel, where a date was set for a hearing. The case will likely be settled.

CURE OF ECZEMA AND DANDRUFF

By One Box of Cuticura Ointment and One Cake of Cuticura Soap. Head Perfectly Clear.

"I am pleased to inform you that I have been cured by Cuticura Soap and Ointment. Since I was a boy I have suffered with dandruff, not only from the itching but from its disagreeable appearance in a scalp form all over my head. I had to brush it off my clothes all day long. I used every kind of preparation supposed to cure dandruff, also not that, instead of improving with these remedies, the dandruff increased, even my hair began to fall out and the result was that two months ago eczema developed on my scalp. I suffered so from this that as a last resource I thought I would try Cuticura Soap and Cuticura Ointment. They had the most gratifying results for I had used only one box of Cuticura Ointment and a single cake of Cuticura Soap when I was cured, the eczema and dandruff were gone and my head perfectly clear. I can assure you that so long as I live no other scalp than Cuticura will be used by me and all those near to me. I will also add that I will always use Cuticura Ointment as a dressing for the hair. I feel that you should know of my cure and if you desire you may use this as a true testimonial which comes from a sufferer of thirty years' standing. I will be happy to tell any one of my experience in order to assist those who may be suffering from the same disease. J. J. Acersello, General Commission Merchant, 59 Pearl St., New York, Apr. 21, 1910."

Cuticura remedies afford the most economical treatment for eczema of the skin and scalp. A box of Cuticura Soap (25¢) and a box of Cuticura Ointment (50¢) are sufficient. Sold throughout the world. Short Session of Court Held Today; Routine Matters Disposed Of.

Special to The Courier.
 A special session of court was held this morning upon the request of Attorney Leo Smith who had a petition to present in the equity suit of Everhart D. Blier against John C. Blier, Judge J. Q. Van Swearingen was on the bench when court was opened promptly at 10 o'clock.

While waiting for the attorney Judge Van Swearingen jokingly asked the newspaper representative what should be done with an attorney who kept a court waiting nearly an hour after a special session had been made to accommodate him. The attorney, it was suggested that the attorney be fined and committed to jail for a period of equal to the time of the delay. When Attorney Smith appeared the court stated to him the suggestion of the reporters and Mr. Smith humbly asked pardon of the court and the reporters. It is needless to say that his prayer was granted.

In the matter of Everhart D. Blier against John C. Blier a citation was issued upon James H. Kurtz, receiver for the defendant, filed an account of his receivership within three days after service. Kurtz was appointed receiver for J. C. Blier, who conducted a meat market in Uniontown. The plaintiff sought an accounting through the proceeding in equity. In February Kurtz declined to act as receiver longer and turned over \$300 belonging to the estate of J. C. Blier. Kurtz sought a rule on Blier and Frank A. Hill and A. C. Klefer, bondsmen of Kurtz, to show cause why he should not be relieved from the duties of receiver. Kurtz has filed no report of his transactions as receiver though he has been selling goods from stock and has had charge of the business for some time. He was employed as a butcher by J. C. Blier before being appointed receiver.

Upon motion of Attorney W. L. Goss in the divorce case of Mary Hager against James A. Hager, Attorney John Duggan was appointed master on Saturday to take testimony in the divorce case of Rosemary M. Field against Attorney James Field.

Upon the presentation of a petition by Attorney John Duggan on Saturday the court appointed E. A. Smith constable of the Sixth Ward, Connellsville.

No Application From Mr. Bell Yet

As yet the School Board has not received the application of Principal George H. Bell for the position made vacant by the resignation of Borough Superintendent W. S. Deffenbaugh, although Mr. Bell had announced his candidacy for the position. It is understood Mr. Bell is a candidate for the position of superintendent of graded schools. If such a position is created, and has called for the directors in favor of the idea to appoint the grades from the High School.

Superintendent U. G. Gandy of Mc Pleasant was again in town today in the interests of his candidacy. Smith on the board seems in favor of a local teacher to fill the unexpired term of Prof. S. A. Ash at present seems to lead the other candidates.

SMITHFIELD.

SMITHFIELD, March 10.—Sylvanus Deffenbaugh of Nicholson township No. 1 was a borough visitor on Thursday.

In discussing the high price of beef in the quality of the meat, John H. Dill, a Nicholson township farmer, told a group of one of his neighbors that he had recently bought a cow for \$100.00. When he put it in the pen early in the morning and killed it, he found it was not what he had paid for. He said he had paid for a cow that would give him milk, but he had paid for a cow that would give him milk and meat. He said he had paid for a cow that would give him milk and meat, but he had paid for a cow that would give him milk and meat.

Johnson Held as a Nuisance

Guy Johnson, colored, was arraigned before Judge Evans this morning on a charge of being a nuisance. He was arrested at his West Side home late last night by Officers Cullough, O'Brien and Smith upon complaint of Virgil Mitchell, also colored. Johnson was held as a nuisance, and Mitchell was charged with disturbing the peace. Johnson was charged with disturbing the peace for a house of ill repute, but denied it. Mitchell's protest was lodged because his wife was drunk and in the house, refusing to come home.

"I wanted her to get to bed so she could get up and get breakfast for me at seven o'clock this morning," claimed Mitchell.

**Surely Breaks the Most Severe Cold
and Ends Grippa Misery in Just
a Few Hours.**

You can surely end Grippa and break up the most severe cold either in head, chest, back, stomach or limbs, by taking a dose of Atome's Cold Compound every two hours until three consecutive doses are taken.

It promptly relieves the most miserable neuralgia pains, headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, mucous catarrhal discharges, running of the nose, soreness, stiffness and rheumatic twinges.

Take this harmless Compound as directed, without interference with your usual duties and with the knowledge that there is no other medicine, made anywhere else in the world, which will cure your cold or end Grippe misery so promptly and without any other assistance or bad after-effects as a 25 cent package of Pope's Cold Compound, which any druggist in the world can supply.

Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or flu.

"KID" CURRY'S CHALLENGE.

He Wants a Fight With Dennis Johnson of Connellsville.

Charles Curry, better known in pugilistic circles as "Kid" Curry, wants to fight Dennis Johnson, the Connellsville colored scrapper. Curry makes no restrictions save that Johnson answer through The Courier for an early conflict.
